Jayne:

The new manager for the Oregon Coastal Management Program will be Patty Snow, currently with ODFW. I do not know her availability, of course, but will forward her any e-mails with the determined time and date.

Thanks, and best wishes.

Bob

Subject: REMINDER ACTION BY COB OCT 13: Availability for Quarterly OR CZARA 6217 Conference Call & News

Hi All:

News: Bob Bailey is retiring as of Nov 1. His successor is due to be named any minute. He told us to go ahead and schedule without his input and he will have the new DLCD person arrange to be on the call, whenever it is.

For those who have not responded, I am seeking your your availability for the Quarterly OR CZARA Conference Call. Thanks to those who provided their input--you have been bcc'ed in this email. The call will focus on the major accomplishments, issues/challenges and possible approaches to addressing these issues/challenges. You will receive a detailed agenda including possibly additional information closer to the meeting time.

Please complete the following doodle poll and don't forget to change the time zone. Please forward to anyone else who should be invited to participate in the call.
